Golf • Hotel • Wellness

The wedding venue of your dreams!

Castle Dargan welcomes you

*“I liked
the place...
for the
romance of its
two ruined castles
facing one another
across a little lake”*

W.B Yeats

It is almost a century since Yeats penned these *King of the Great Clock Tower* lines following one of his many visits to Castle Dargan and now your opportunity to re-visit the charms of Castle Dargan has arrived.

May we take this opportunity to congratulate you both on your engagement and extend our sincerest best wishes for your future together. Our dedicated management team would be honoured and delighted to host your wedding reception and we look forward to being of every assistance whilst ensuring all your needs are met.
